IVYLAND BOROUGH
BIDS FOR SNOW AND ICE REMOVAL OPERATIONS, LAWN CARE, LEAF REMOVAL, AND GROUNDS KEEPING

RESPONSE TO QUESTIONS RECEIVED NOVEMBER 11, 2026

- Whether November 23 at noon remains the deadline, the accepted submission method, the question cutoff, and any required site visit.

  November 23 at noon remains the deadline. Sealed bids will be received during regular office hours at the office of Ivyland Borough. Bids should be sealed and marked "SEALED BID - 2026-2028 SNOW REMOVAL/LAWN CARE - DO NOT OPEN." Bids can be hand delivered or mailed, but must be received at the Borough office by November 23 at noon. There is no set question cutoff prior to the bid deadline. There is no required site visit. However, areas may be visited by the bidder.

- Whether snow/ice and warm-season groundskeeping may be quoted separately or must be offered together.

  Snow/ice and warm-season groundskeeping must be quoted together.

- Whether a prime may use a named local subcontractor for field operations, and whether the subcontractor's experience may satisfy any reference requirements.

  The prime may use a local subcontractor upon the prior written consent and approval of the Borough. Both a successful prime and subcontractor must comply with all contract specifications, maintain the required insurance, and must provide the Borough with satisfactory certificates of insurance naming the Borough as an additional insured. The prime will remain responsible to the Borough for the actions of the subcontractor. References for the subcontractor must be provided.

- Whether the advertised $2,500 bid bond or bank check applies to each separate category or one combined bid, and which insurance or registration documents are required at bid stage.

  The total bid bond or bank check required is $2,500. This bond/check applies to the "combined bid." Insurance documents are not required at the bid stage. The successful bidder must furnish evidence of insurance within fourteen (14) days of bid acceptance by the Borough.
